

# Medication Cabinets

“Medication cabinets that offer the ideal solution for the safe and secure storage of medication in both care homes and pharmacies”

## Self-administration cabinets

Designed for use in patients’ rooms. The cabinets are fully lockable and come with an adjustable shelf. Supplied in a laminate wood finish, they are available with a door clip to hold a small rack and can come either as flatpack or assembled.

## Controlled drugs cabinet

Designed specifically for the care home industry, for the safe storage of controlled drugs. They conform to the Misuse of Drugs (Safe Custody) regulations 1973. Each cabinet is supplied with adjustable shelves, door shelves and Secure Euro Profile Lock system for added security. The cabinets have a tough, hygienic and long-lasting finish and are available for floor or wall fixing. Available in three different sizes.

## Steel medication wall cabinets

Wall mounted cabinet comes in two specifications to accommodate your every need. Meets the requirements of BS2881:1989 cupboards for the storage of medication in healthcare premises. Comes with fully adjustable shelves and door shelves for extra capacity. Both cabinets come with a Secure Euro Profile Lock system.
