The UK's first choice for multi-dose pill packs

Like you, we're committed to medication adherence, because we understand the health and financial benefits.

SureMed by Omnicell monthly care packs are available in a card and clear range and are designed for care home patients. Each care pack is split into seven days of single doses, over a four week period. Each personal pack contains the right pills and dose, ready to take at the right time.

All SureMed by Omnicell care packs are disposable and various blister sizes are available to fit a wide range of tablets.
